

Directions to MRAS from Baltimore-Washington Airport (approx. 30 minutes)

- Follow Airport Exit signs to **I-195** North
- From I-195 North take Exit 2A to **MD-295** (Baltimore)
- Follow 295 North to **I-95** exit (New York)
- Follow I-95 North through **Ft. McHenry Tunnel** (\$2 toll)
- Continue to **I-695** East (exit 64) toward Essex
- Take this exit and move into left lane, which will become **Rt. 702**
- On 702, take the **Rt. 150** East "Chase" exit onto Eastern Blvd.
- Follow Eastern Blvd. Approximately one mile past Kingston Road.
- Just a few yards *after* Kingston is an access road labeled 'Industrial Entrance.'
- Follow this road along the fenced parking lot and make your first left.
- Continue straight and make a left onto **Martin Blvd.**
- To enter through 'A' make your first right, pull to the side and walk to the guard office.
- To enter through 'M' Building continue past 'A' Gate to the next entrance. Turn right and park in a visitor space in the circular drive.

Note: if you pass the Exxon station you have gone too far, but can turn at the light, park in the large Lockheed Martin parking lots and walk to 'M' Building.

Directions From MRAS to Baltimore-Washington Airport (approx. 30 minutes)

- Exit MRAS visitor parking and go right onto Martin Blvd.
- Go right at second light onto Middle River Road
- Follow Middle River Road to **US-40**. Go right
- Follow US-40 to **MD-43** (follow signs to I-95)
- On MD-43 take second exit to I-95 South (Baltimore)
- Follow I-95 through the Ft. McHenry Tunnel (\$2 toll)

- Approx 3 miles after the tunnel, take exit to **I-295** South to BWI Airport
- Follow I-295 directly to BWI exit (after W. Nursery Road).
- Follow signs toward terminal for short-term parking/rental returns.
